

Jackson Orthopedic Foundation's Fourth Annual Canes Film Festival & Gala

Call for Silent Auction Donations

WHO:

Jackson Orthopedic Foundation (JOF) is a 501(c)(3) nonprofit dedicated to improving the lives of people with musculoskeletal conditions, and the clinicians who care for them.

WHAT:

Fourth Annual Canes Film Festival & Gala, JOF's flagship fundraiser — a fun, "blended" event, combining an in-person afternoon gathering with a virtual-attendance option.

We'll be screening and voting on short films created by our students; hearing presentations from volunteers, students, clinicians, and patients about JOF's programs and their impact on lives, careers, and communities; networking with friends old and new; and of course bidding on items in our popular silent auction.

WHEN: Sunday, November 7, 2021, 3:30–5:30 p.m. PST

WHERE: Creekside Commons, Lafayette, California + live stream on YouTube

WHY: For more than 20 years, we've been working to improve orthopedic-related patient care, empower clinicians, and encourage the next generation of healthcare professionals. The Canes event supports our three flagship programs:

- **Orthopedic Primary Care (OPC)** program, our growing catalogue of continuing education courses to prepare clinicians to diagnose and manage musculoskeletal conditions in primary care settings
- **Orthopedic Injection Workshops**, continuing education classes to teach advanced practice providers to administer joint injections
- **Healthcare Immersion Program (HIP)**, our unique summer program that provides college students with the opportunity to explore health careers close-up, including shadowing healthcare providers

HOW YOU CAN HELP:

We are seeking unique and creative donations for our silent auction, which is always a fun part of Canes. Suggested items include wine and beer, gift baskets, gift cards, getaways, services, and specialty items.

To donate auction items or for questions, please contact Kathleen Geier (510.812.8878) or Molly Walker (510.207.9291).
